

Roma Clay Target Club Junior Pathway Program

The QCTA State ISSF Carnival was held at Brisbane Gun Club recently. The event was the second to be supported by the RCTC-JPP.

Eight juniors present, including two from interstate, received the packages valued at approximately \$600 each.

Packages included program kit bag, cap, Beretta shooting vest, sponsors sunscreen and water and \$230 in cash to reimburse their nominations and purchase cartridges, hopefully from co-sponsor Beretta Australia's great TRUST range of shells.

Goodwill amongst the juniors was evident with some who have previously received packages donating goods from the packages to new junior shooters back at their clubs. All were very appreciative.

Great to see the wide smiles and atmosphere the program creates.

Luke Given

George Papachristoforos

Packages presented so far this year total \$24,000 in value and this is only made possible due to the generosity of the Roma Clay Target Club and the program co-sponsors. A big thanks to Beretta Australia, Top Servo, Bakearoma, AT Hydraulics,

QCTA Western Zone, QCTA Central Zone, and the Gold Coast Clay Target Club. September will see the program in Brisbane again for the QCTA State Skeet

Carnival and we welcome and encourage all ACTA juniors to attend this event.

The program is all about lifting junior attendance and it would be great to see some other clubs assist their juniors with travel costs to these major State events. We believe it would be money well spent.
