

**ROMA GUN CLUB  
JUNIOR PATHWAY  
TO QCTA  
2025 – 2028**

## **The RCTC JPP – What is it all about?**

**Juniors are the future of our great sport and they almost all attend with their parents, most of whom shoot.**

**So, the theory is that if we can increase Junior attendance, we will see an even greater attendance at Carnivals due to the number of parents that travel with the Juniors.**

**The Roma Gun Club has worked hard and is now in the fortunate position to be able to support (with a lot of great Co-sponsors) a Statewide program across all four QCTA State Carnivals, DTL, Skeet, ISSF and Sporting.**

**The RCTC and Co-sponsors commitment is for 4 years, 2025 to 2028, and guarantees a support package to all ACTA Juniors attending QCTA State Carnivals. The package will include cash to assist with nominations paid at the event. However, with the great support received so far, 2026 packages are worth over \$600 each.**

**This program is run independently of the QCTA but with their full support, and we thank them for this.**

**To be truly Statewide, we not only need to support all State Carnivals regardless of the discipline, or where**

they are hosted, we also need to receive willing Co-sponsorship from all corners of Queensland.

If You as an individual, Your business, Your club, or Your zone have an interest in supporting the JPP, please feel free to contact me direct or raise the matter at your club/zone meeting and try to get them on board.

Great Shooting and enjoy Your time at the State Carnival.

Regards,

Robert Nugent.
