

Junior Pathway to QCTA 2025-2028

ROMA GUN CLUB

Fine weather at the Brisbane Gun Club welcomed Skeet Shooters to the 2025 QCTA State Carnival. Five budding Juniors amongst the field were recipients of packages valued at over \$600 each from the Roma Clay Target Club Junior Pathway Program.

The Juniors sold just under \$1000 worth of raffle tickets, and we thank Craig O'Neil and Glenn Walker for arranging the raffle, the Juniors for selling tickets, and of course shooters for showing their support. All proceeds will assist the RCTC – JPP fund future packages.

This was the final JPP presentation for 2025 with the next JPP event to be at the State Sporting in March 2026.

During 2025, the RCTC – JPP provided 45 packages valued at over \$27,000 to Juniors

you all from our great Juniors. Also don't forget a thanks to the Roma Club.

We look forward to welcoming our co-sponsors back in 2026 and supporting more Juniors via the Roma Clay Target Club – Junior Pathway Program.
